The last opportunity to purchase squares was 5pm on Saturday, February 8th, 2025.

At that time, the numbers on the top and side were selected using an online random number generator.

If your number does not match the final score, you still have a chance to win. There were five boxes that were not purchased and if one of them wins, there will be a live (Facebook Live) drawing on Monday morning (11am EST) to select a winner.

Thank you so much for playing and for supporting Making Headway Foundation!
